## NEWS FLASH

October 2023

## LOOK WHAT WE HAVE BEEN DOING...

The Lambs have been enjoying lots of song and rhyme time. The children have been able to copy actions to 'Twinkle Twinkle Little Star', 'Baa Baa' and 'Tiny Turtle'. The children have been showing awareness and anticipation of what's coming next by making the correct sounds. The staff have also been exploring sounds with the Little Lambs using musical instruments. This helps with supporting the children's communication, fine motor skills as well as introducing new vocabulary.

The Farmers have been welcoming our new children and using circle times to help the children get to know each other. The farmers have been showing a particular interest in colour mixing activities and experiments after exploring our book with a hook 'Brown bear'.

## LOOK WHAT WE WILL BE DOING...

The Farmers we be looking at self-care and routines focusing on brushing our teeth, healthy eating and why good hygiene is important.

The lambs will be concentrating on risky play following the children's interest. This will support the children in exploring their limits and what they feel confident in.

## Dates for the Diary:
