

BURY COLLEGE

NEWS FLASH

MARCH 2024

WHAT WE HAVE BEEN DOING...

This month throughout the nursery, we have been celebrating and recognizing lots of different celebrations. Earlier in the month we took part in lots of activities surrounding “children’s mental health week” and “kindness week” We focused on our emotions and spoke about our thoughts and feelings and how we should treat people with kindness, we joined in lots of activities that made us feel happy and cheerful.

We also celebrated Chinese New Year, our cook Harriet made a yummy Chinese cuisine and the children enjoyed exploring Chinese noodles. We enjoyed creating our own Chinese dragon and taking part in our Chinese New Year party.

We also had lots of fun making and eating delicious pancakes for Shrove Tuesday, we used various toppings such as jam, cream, bananas, and golden syrup. These went down as a treat for all!

WHAT WE WILL BE DOING NEXT...

Over the upcoming month we will be focusing upon world science week which will support Mathematical, and cause and effect play. Keep a look out for our science experiments. If you would like to share a science experiment with a group of children, please let us know. We will also be celebrating “World book day” 07/03/2024 if any parents or grandparents would be interested in coming in to read stories with the children, please let us know.
