

DERBY STREET NEWS FLASH

MARCH 2024

LOOK WHAT WE HAVE BEEN DOING...

We would like to say a big thank you to all parents/carers who attended our Valentines stay and play sessions, it was lovely to see everyone engaging together and joining in with lots of fun activities and getting messy. The children within each room have joined in with Valentine's celebrations through taking part in various activities such as card making, exploring the gloop, a sensory spa, red jelly and foam play, baking and we also spoke about the people who are special to us.

The Little Lambs have enjoyed exploring the farm which linked in with their book with a hook 'oh dear'. The children have enjoyed washing the animals in some sensory bubble foam, learning familiar sounds, animal stomping in flour and gloop, and mud painting. The children learnt a new fish song using props and had fun showing this to their other friends in the nursery.

The Ducklings have been exploring and learning through nature play, they enjoyed making mud and stick stew in the mud kitchen, exploring nature gloop and playdough. We have also spent time learning about our families and created our own family picture albums. We talked about our similarities and differences talking about our hair and eyes.

The Farmers have really been focusing on their physical development skills. The children have spent time creating and building their own obstacle courses both outside and in our construction area, they then helped each other to complete the courses they had made. We also took part in an animal rescue activity where we learnt what different animals need to eat and where they live.

WHAT WE WILL BE DOING NEXT...

We will be focusing on School readiness, independence, and our golden rules.

Dates for the Diary:

THURSDAY 7TH MARCH – WORLD BOOK DAY

Come dressed as your favourite character or bring in your favourite story from home – if any parent/carers is interested in booking in to be a secret reader please speak to a member of the team.
