

THE GABLES

NEWS FLASH

APRIL 2024

LOOK WHAT FUN WE HAVE BEEN HAVING..

In the Farmer's room we have been learning all about Ramadan. Sana brought in some special items from her home to share and introduce to the children, such as a prayer mat, prayer beads and headscarves. We also looked at our special festival book and 'The Swirling Hijab' story.

The children had lots of fun creating their own Ramadan star and moon dishes using clay.

We also celebrated World Book Day, the children had lots of fun dressing up as their favourite characters! The children joined in with our fashion show, explored an Elmer sensory bonanza, made their very own Gruffalo Crumble and enjoyed eating afternoon tea with The Tiger! We had such a lovely time!

The little lambs have had lots of fun this month, including a teddy bears picnic in our pyjamas, recycling an old cardboard box again and again to make a house, a car, a bus and a sensory den with sparkling lights and a ball pool! We have enjoyed exploring 'families' and creating new photo albums in our home corner of our families and homes, and we enjoyed watching our nursery tadpoles growing and changing over time. We also planted our own cress and herb seeds to add to our nursery garden!

In April we will be continuing to focus on 'sings of spring' including flora and fauna, and growth, decay and changes over time and we will also be exploring life cycles of animals – including our nursery tadpoles and caterpillars!
