NEWS FLASH

MAY 2024

WHAT WE HAVE BEEN DOING...

Hello Spring and Sunshine!

In the Lamb's room we have taken part in lots of heuristic play, encouraging the babies to explore using all their senses.

Within the Duck's and Farmer's room, the children have been focusing on planting in the garden, showing care and concern for the environment and looking at how things change overtime. The children are continuously watering and taking care of the plants waiting for them to bud. This has given great opportunity to learn new words such as 'change, grow, sprout'.

A massive thank you to all parents who attended our School Readiness workshop, it was a great turn out. If you have any further questions relating to school readiness, please see a member of staff on drop off or collection.

WHAT WE WILL BE DOING NEXT...

Over the upcoming month, we will continue our planting and gardening, ensuring the garden is Summer ready...

Throughout the setting we will be focusing on promoting independence and developing our fine and gross motor skills through lots of obstacle courses, messy play activities and litter picking.

Dates for the Diary:
