

EDINBURGH WAY

NEWS FLASH

MAY 2024

LOOK WHAT WE HAVE BEEN DOING...

The Farmers have been learning about recycling and how it supports caring for the environment. We took part in litter picking, learnt about what each recycle bin at home means and got the chance to recycle some materials found in our homes and nursery.

The Ducklings and Farmer's children enjoyed learning linked to the 'Chapatti moon' story. We linked this to learning about Ramadhan. We learnt about fasting and what it teaches those who fast. We celebrated Eid with our friends and the children enjoyed dressing up and taking part in party games. The children enjoyed having henna on their hands, learning new songs about Ramadan and exploring our Ramadan sensory bin.

The Lamb's children learnt about Easter through the story 'Rabbit pie'. We decorated eggs, joined in an Easter egg hunt and made Easter cornflake cakes.

LOOK WHAT WE WILL BE DOING NEXT...

We will be sending home our Eddie weekend teddy and look forward to seeing what the children get up to out and about in the community. If you have any special events coming up and would like to take Eddie for the weekend, please speak to a member of the team.

We will also be introducing more forest school activities to support with communication and language.
