

THE GABLES

NEWS FLASH

OCTOBER 2024

LOOK WHAT FUN WE HAVE BEEN HAVING...

The Famers have enjoyed exploring our local community park to hunt for signs of Autumn! We have been on nature walks, carrying out scavenger hunts and collecting special natural treasures, going for listening walks to identify the different noises that we hear whilst exploring, and observing the changes of the coming season! We have started to create some of our own bug houses which we will then go and place in the park for the minibeasts to explore!

The Farmers and Lambs enjoyed a teddy bears picnic to celebrate international teddy bear day, we all brought in our teddies from home and had an afternoon tea party with some fruit tea, yummy homemade Victoria sponge cake and sandwiches! We listened to some of our favourite stories 'We're going on a Bear Hunt' and 'There's a bear in your book'. We danced along to the sounds of the teddy bear's picnic!

The Farmers and Little lambs had lots of fun celebrating 'talk like a pirate day' we made our own pirate hats and telescopes, followed the treasure map to find the golden coins and we even made our own pirate ship! The children put lots of effort into dressing up and all looked amazing!

In October we will be focusing on our termly key-worker sessions with parents, this term we will be focusing on cooking and baking skills, and we can't wait to try out some new recipes with you!
