

EDINBURGH WAY

NEWS FLASH

March 2025

LOOK WHAT WE HAVE BEEN DOING...

During February, across the nursery, we have been exploring feelings and the importance of kindness towards others. We linked this to our Internet Safety Week, where we introduced the children to the 'Stop, Close, Tell' campaign so they know what to do if someone tries to speak to them online.

The Ducklings children enjoyed making a kindness jar and writing kind words to their friends. They also took part in lots of sharing and turn-taking activities, such as making ice cream in the home corner for their friends and playing the kindness dice game, where the children roll a dice to a friend and shout out a kind word. Alongside this, the Ducklings explored the weather, learning new songs and taking part in lots of activities such as cloud painting, making their very own rain shakers, and stomping in muddy paint with rain boots.

The Farmers introduced an affirmation station, where the children now spend time dressing up and admiring themselves. They spent time learning about ways to express their emotions and how their words impact others. They also enjoyed learning through the story 'Day Monkey, Night Monkey', exploring shadows and light/darkness through torch play.

The Lambs children have been learning about kindness through their favourite story, '1, 2, 3 Kindness'. We linked this to lots of number-based activities in the construction area, baking, and outdoor play.

Throughout the nursery, we also celebrated Chinese New Year. We had a dance party while listening to Chinese music and taught the children some Chinese words, including how to say hello in Mandarin. Lots of competitions were held in the nursery, and some of our Ducklings created some amazing dragons. Thank you to all the parents who joined in!

WHAT WE WILL BE DOING NEXT...

We will be learning about Ramadan and the reason why some of our families will be fasting. We will also be updating our home corner spaces to reflect the children's homes. Please send in photos of your child eating meals at home or playing/helping in the kitchen.
