

# BURY COLLEGE

## NEWS FLASH

**May 2025**

### WHAT HAVE WE BEEN DOING...

What a busy month we have had!

Firstly, welcome back to everyone — we hope you all had a lovely Easter break and enjoyed plenty of family time and chocolate eggs.

Over the half term, we have been focusing on Spring and Easter. The children have enjoyed the spring sunshine and taken part in lots of fun outdoor activities, including a colour paint rush, an Easter egg hunt, baking, and planting. Both children and staff have had a fantastic time!

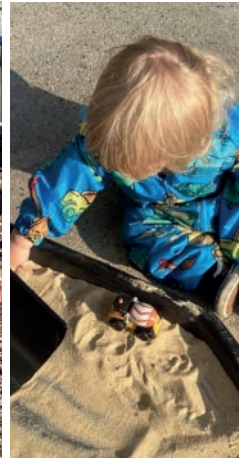

Our recent company training day was a great success. Staff returned feeling refreshed, motivated, and full of great ideas they are already putting into practice. Be sure to take a look at the new parent noticeboard in the foyer, which shares information about the importance of Early Years — one of the key topics we explored during the training.

A huge congratulations to Nicola from the Farmers room, who won Team Leader of the Year across the entire company — an incredible achievement!

Also, congratulations to all our pre-school children who have received places at their chosen primary schools. Please do let a member of staff know which school your child will be attending. Over the coming months, we will be focusing on preparing the children for this exciting next step in their learning journey.

### WHAT ARE WE DOING NEXT....

Over the next month, we will be getting our garden ready for summer by carrying out lots of planting. Across the setting, we will be focusing on school readiness, independence, and supporting the children with their emotions, particularly around transitions and change.
