

SCHOOL HOUSE NEWS FLASH

May 2025

LAMBS

The children have enjoyed taking part in lots of fun crafts and sensory activities linked to Easter. They went on egg hunts, exploring different textures as they searched for eggs hidden in shaving foam and moon sand. They loved figuring out how to open the eggs, and spent time trying to fit them back together again. The children also took part in a 'Sleeping Bunnies' PE session, taking turns to pretend to be the bunny.

DUCKS

The Ducklings have been learning all about fruits and vegetables, inspired by the story *The Very Hungry Caterpillar*. They took part in food tasting, baking, and even met our nursery caterpillars, watching them crawl around in their tub. The children also created their own caterpillars using junk modelling, decorating them with a variety of colours and materials. They had lots of fun during caterpillar PE, moving in different ways just like a caterpillar.

FARMERS

In the Farmer's room, the children have had a fantastic time celebrating Easter. They participated in lots of physical activities, including egg and spoon races, a fun Easter egg hunt left by the Easter Bunny, and making a range of Easter crafts to take home.

EXPLORERS

The Explorers have been learning about the life cycle of our nursery caterpillars, linked to the book of the week, *The Amazing Life Cycle of Butterflies*. The children enjoyed watching the caterpillars build their cocoons and are excited to see if they have transformed into butterflies. They also took part in caterpillar yoga, pretending to become butterflies at the end, went on a caterpillar hunt in the garden, and joined in with lots of related craft activities.

Dates for the Diary:

**BANK HOLIDAY MONDAY 5TH MAY – NURSERY
WILL BE CLOSED**
