

SCHOOL HOUSE NEWS FLASH

June 2025

LAMBS AND DUCKS

The children have enjoyed the sensory nursery rhyme book, focusing on a different song each day. They role-played scenes linked to Miss Polly Had a Dolly as they explored different fruits and vegetables, cutting them and having them for snack. They moved boats through water while listening to Row, Row, Your Boat and heard number names as they tried to catch ducks in the pond. The children also explored different materials from the garden as they looked for Incy Wincy Spider and had fun on Old McDonald's Farm, learning about the different animals that live there.

FARMERS

Learning in the Farmer's room has focused on bees and how they pollinate flowers, which helps fruits and vegetables grow. The children went on bee hunts in the garden, made their own hive, and were amazed when a bee came to visit them in the Farmer's room. They watched the bee explore before carefully collecting it in a cup and taking it back outside to the flowers. They also enjoyed setting up a bug hotel in the garden and checked daily to see which visitors had arrived. The children learned how bees make honey and enjoyed learning the bee dance.

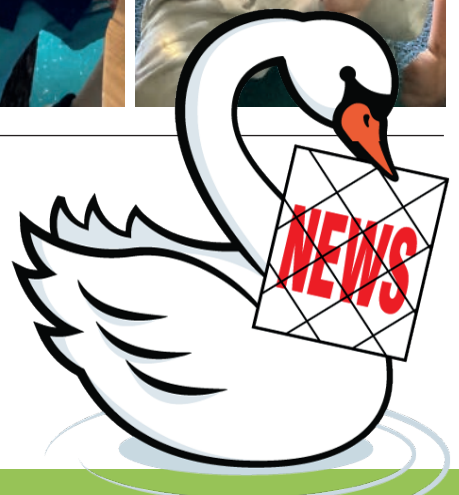

EXPLORERS

The children have enjoyed learning about different occupations, taking part in lots of role-playing activities to discover what various jobs involve. They dressed up as firefighters and put out fires, became police officers and noted any incidents of children not following the golden rules at nursery. They role-played being barbers and hairdressers and checked each other's teeth as they became dentists. Thank you to the parents who came into nursery to talk to the children about their job roles.

Is it play and stay or stay and play – on the dates section?

LOOK WHAT WE WILL BE DOING NEXT...

We'll be celebrating Eid and also taking part in International Giraffe Day with an exciting animal-themed party.
