

BURY COLLEGE

NEWS FLASH

October 2025

WHAT A LOVELY AND BUSY SUMMER WE HAVE HAD!

In September, we welcomed lots of new families as they began their journey with Fisherfield! Across the nursery, we have been focusing on the children's personal, social and emotional development, supporting them as they settle into nursery life and build bonds with all the la-dies.

As always, we would love to see lots of family pictures to use for our keyworker boxes and family boards.

With the arrival of Autumn, we have been exploring the changes in the weather and the environment around us. We have also begun our Harvest Collection for Growing Together; donations are very welcome and will be delivered in time for the half-term break.

Farmers have been celebrating Rosh Hashanah by creating lots of sweet treats! Our favourite has been apples and honey, specially bought from the local farm! The children have also been learning new Makaton signs and are growing very confident in using them throughout the day.

In the Little Lambs room, the focus has been on building keyworker bonds and getting to know new friends. The children have been busy creating exciting keyworker boxes. If you have any special items that can safely stay at nursery to help your child settle, please feel free to bring them in. The Lambs have also loved their sensory play, with more sensory bags and bottles planned for the weeks ahead.

In the Ducklings room, the children have been developing their independent skills. They have been serving their own meals, cutting up snacks, and even beginning their toilet training journeys. They have also enjoyed lots of outdoor play and exploring the natural world, noticing the changing colours of the leaves on the trees.

WHAT WE ARE DOING NEXT...

In the coming month, we will continue to explore the season of Autumn with lots of outdoor play and discovery.

We are also preparing for a very exciting Spooky Stay and Play Session, which will include a range of fun activities and fundraising for our chosen charity, the RSPCA. We look forward to welcoming you all!

Spooky Stay and Play – Saturday 25th October, 10am – 12pm
