NEWS FLASH

October 2025

LOOK WHAT WE HAVE BEEN DOING...

We would like to say a big welcome back to all our children after the holidays, and a warm wel-come to all our new children who have joined us for their exciting nursery adventures.

As a whole nursery, we enjoyed taking part in Pirate Day! This involved dressing up, going on treasure hunts, creating treasure maps, and role playing. We also celebrated Read a Book Day, where the children brought in their favourite stories and teddy bears from home. We shared their books together and finished the day with a teddy bears' picnic.

The Little Lambs have been having lots of fun with sensory play, song and music time, role play, and exploring their new family pictures. They have also been enjoying time in the outdoor envi-ronment. All of these experiences support the children's personal, social, and emotional de-velopment.

The Ducklings have been engaging in activities that encourage sharing and turn-taking, as we have focused on kindness. The children have taken part in puzzles, threading, building, scoop-ing, and matching activities, which were all designed to challenge their curiosity and encour-age a positive "can do" attitude.

The Farmers have been exploring feelings and emotions. Activities have included making "feel-ings potion bottles," experimenting with sound, conducting emotion-based science experi-ments, and creating friendship nature bands.

WHAT WE WILL BE DOING NEXT...

We will be looking at change and linking this to the weather and the seasons as we move into Autumn.
