

EDINBURGH WAY NEWS FLASH

OCTOBER 2025

LOOK WHAT WE HAVE BEEN DOING...

The Farmers have been enjoying learning about emotions and making friends this month, especially after many of us returned from the summer break. We introduced team-building activities to help the children form new bonds and friendships, supporting them to feel comfortable in their environment. The children have also loved learning new Makaton signs each week, and we have begun learning the colours through the rainbow song.

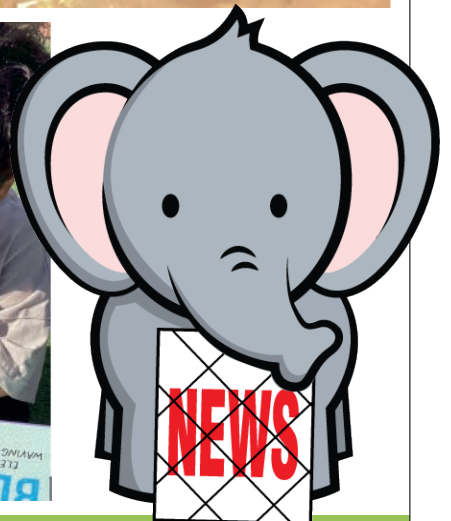

As we have welcomed a new season, the children have been exploring colours and noticing changes in their environment.

The Ducklings and Lambs have been focusing on learning their shapes and colours. We have had lots of fun exploring a "colour of the week" and linking this to our book on colours. The children went on colour and shape hunts and quickly began to recall and identify colours, which we are very proud of them for. They also took part in crafts such as making clay shapes, playing shape-matching games, and drawing both indoors and outdoors. The children have grown more confident and will continue to build on this learning.

We would like to thank everyone who came to Social Saturday. The children enjoyed spending time at nursery alongside their parents, proudly showing where they like to play and introducing their friends.

LOOK WHAT WE WILL BE DOING...

The Farmers will continue exploring Autumn and learning about animals and their habitats. The Ducklings will carry on learning about colours and shapes, while the Lambs will be exploring mud, leaves, and the changing season.

DATES FOR DIARY

5TH OCTOBER – WORLD SMILE DAY

18TH OCTOBER – DIWALI

31ST OCTOBER – HALLOWEEN

27TH–31ST OCTOBER – HALF TERM
