

SCHOOL HOUSE NEWS FLASH

October 2025

LAMBS AND DUCKS

The children have enjoyed the story Dear Zoo. Each day, they focused on a different animal as they posted them back to the zoo. They made their own jungle-themed playdough, practised the different sounds each animal makes, and joined in with animal yoga. The role play jungle was also a big hit, where the children loved walking the animals through the jungle they had created.

FARMERS

This month the Farmers have been learning all about recycling. The children enjoyed litter pick-ing in the garden and using recycling materials brought in from home to build and paint with. They even used an empty bottle to paint their own tree outside while learning different ways to help our environment.

EXPLORERS

The Explorers have enjoyed learning about the change in season as they noticed the leaves changing colour and falling in the garden. They learned about the importance of trees in our en-vironment and how they produce oxygen for us to breathe.

The children created their own trees using loose parts and took part in a range of forest school activities, which they thoroughly enjoyed.
