

Little Lambs

The Little Lambs have been taking part in some exciting experiments! They have taken part in Humpty Dumpty's egg smash, made their own bath-bombs, watched glitter balloon explosions in awe and observed the magic of colour mixing in a skittles experiment!

The Little Lambs have joined 'Ted' on a walk. During this we explored our community by looking at road-works, making a trip to the local food shop and going on a visit to see the animals on the farm!

We have lots of new friends joining our Little Lambs room, so we have been exploring feelings and have introduced a feelings mirror. To develop this further we have been exploring the book 'Hug' with the children which promotes developing relationships and an awareness and care for others.

Dates for the Diary

Mother's Day Afternoon Tea:

Friday 20th March

Tickets will cost £2 each, and will go on sale on

Monday 2nd March

Mummy's, nana's, grandma's, auntie's and sisters welcome.

Grandparents Gardening Morning:

Monday 14th April

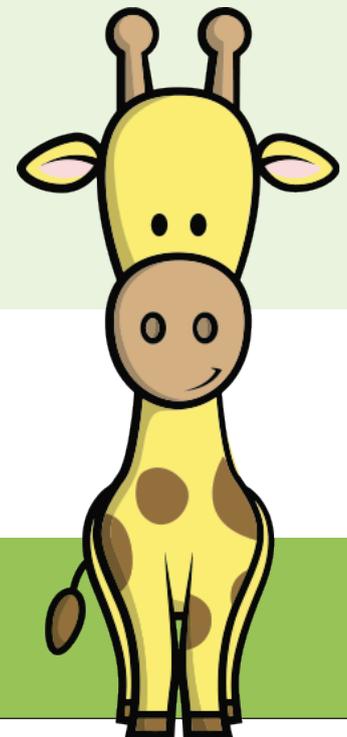

Tickets will cost £2 each

Mindfulness Mondays!

As you may be aware, we have now been carrying out regular mindfulness sessions with our children for quite some time. We would like to share these with all parents so if you would be interested in joining in with one of our sessions then please speak to a member of staff.

Our Contact Details are as follows:-

Tel – 01706 352000 - Email: ffn3@fisherfeldchildcare.co.uk

Or keep in touch with iConnect/ParentZone,
please ask a member of staff if you need help

Little Farmers

The Farmers have gained a new friend at nursery - 'Vlad' the skeleton! They have really enjoyed learning all about the human body, including the skeleton and organs, learning some new and interesting bone names. To develop this further we joined in with a skeleton dance and listened to the 'Funny Bones' stories.

The Farmers have enjoyed taking part in a new Proprioception activity, where we have focused more on horizontal body movements including 'pushing' and 'pulling'. This allows children muscles to stretch and be stimulated and encourages the children to work together by developing their peer relationships. Our nursery Proprioception activities have also been shared with our other Fisherfield nurseries; we will also be sharing more information with parents at our first Proprioception Session on Wednesday 4th March at 2:30pm. Further information will be provided nearer to the time.

Thank you to all parents who have joined in with our 'Secret Reader' and have been into nursery to read to our children. Also thank you to all parents who have brought in stories and props from home and who have been joining in with our colour and sound of the week by bringing objects into nursery for us to share and explore.

If you would like to book a party at Running Wild, log onto www.runningwildparties.co.uk where you can check availability and book online. Alternatively ring 0161 653 1996 and speak to Paula.
