

Covid19 update

We are continuing to work in bubbles and have introduced the use of face masks at close contact care times such as nappy and mealtimes. This is to protect both staff and children from transmitting the virus to one another. All parents must also now wear masks at drop off and collection. Thank you for your ongoing support.

Due to current Covid19 restrictions our usual staff training day which is held on the first weekday of the year (Monday 4th January 2021) has been postponed to Monday 5th July 2021. Therefore, on Monday 4th January 2021 we will be operating as normal.

Lambs

The Lambs room have been enjoying exploring natural resources and learning about their senses. They have explored sensory bags and bottles, sensory lights and mats and enjoyed painting. The children really enjoyed exploring the tunnel and boxes this week playing game such as peek a boo. They have also enjoyed small world set ups with lots of different twigs and leaves and looking after the animals.

The staff will be encouraging more exploration of our senses through different heuristic baskets, baby massage and soft play time.

Ducks:

The ducklings children have enjoyed learning all about Autumn reading stories such as 'The Scarecrow's Wedding' and 'Owl Babies'. They have created their own Autumn display board to showcase their work and have been singing dingle, dangle scarecrow too.

The children's favourite has been learning about the animals and watching a squirrel that visits the nursery garden every day!

The ducklings children have also enjoyed showing their independence and asking to do small jobs around the nursery, when they wake up from their sleeps now they imitate the ladies by folding up their own bedding and putting it to the side. This week they have been asking to take the washing to the machine with the ladies, we have some superstar helpers in the nursery! Thank you.

Farmers:

The farmers children have been enjoying learning about our new fundraising charity, the RSPCA and how we are now sponsoring a guide dog. They have enjoyed making puppy face masks to celebrate our puppy Marley and learning about how the charities help people and animals.

They have also been learning about animals and nature with one child asking about fossils, this led on to an exploration of activity where the children researched fossils, what they are and where they can be found. They enjoyed finding photographs and videos on the computer and drawing and creating their own.

On Friday the 18th September as a nursery we enjoyed celebrating Rosh Hashana the Jewish New Year and the children enjoyed a menu of traditional foods cooked by Leslea such as fish, green beans, carrots and honey.
