

# BURY COLLEGE

## NEWS FLASH

**April 2021**

The children enjoyed taking part in Fisherfield Forest school day where they were able to build campfires, dens, and complete a bug hunt and scavenger hunt looking for different natural items cross the garden. The children worked as teams to try and win prizes against our other nurseries and were so happy to win our own explorer kit.

Lambs have been helping to join the Fisherfield sunflower race and planted their seeds ready to share at home too.

Farmers have got a new sensory box which staff have been adding a different item too each week as part of our talking table. Their favourite so far has been a real snake skin which our cook Leslea shared with us. The communication this table has opened up with our farmers children has been fantastic with lots of who, what and why questions!!
