

EDINBURGH WAY

NEWS FLASH

January 2022

THE LAMBS

The children have enjoyed reading the story 'Jolly Snowmen' where they explored numbers and created their own snowman using tubes. Our focus during November and December has also been sensory play, we have had lots of fun exploring and getting in flour, gloop, shaving foam and mud.

THE FARMERS

The children have been learning about the weather, how rain is created and how snow forms and melts. The children have also been reading the Gruffalo and Gruffalo's child stories as book of the week and from this have been making own owl ice cream to taste at snack time as well as going on a hunt for the Gruffalo outside and learning the Gruffalo song.

JANUARY – FEBRUARY LEARNING SPRINT:

We will be focusing on behavior management and reinforcing the children's understanding of playing safely.

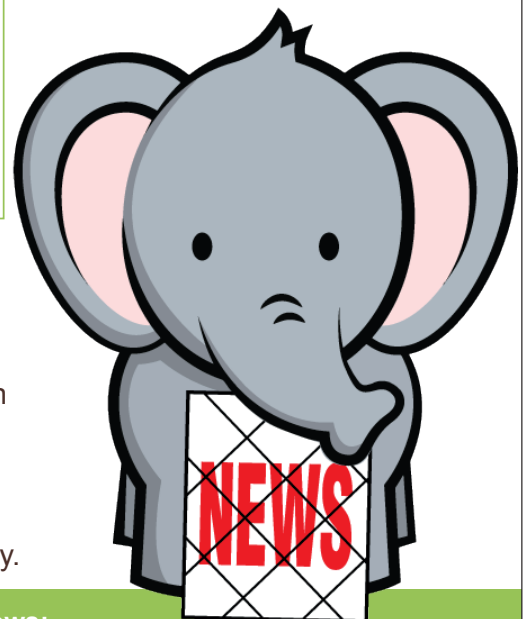

Dates for the Diary:

January 5th
NATIONAL BIRD DAY

On this day we will be making our own binoculars and going on forest school to look for different types of birds.

January 17th
NATIONAL SOUP MONTH

We will be making different soups each day for the children to try.
