

DORSET DRIVE NEWS FLASH

June 2021

LOOK WHAT WE HAVE DONE...

We have had a very busy month exploring the woodlands in rain or shine! In both rooms we have been extending the childrens learning outdoors and introducing lots of new and exciting forest school activities.

The children have been using real life tools to create dens, exploring the mud kitchen getting dirty in the mud pies, team building activities and lots of child led activities letting the children explore themselves and be able to express why they enjoy the outdoors.

LOOK WHAT WE WILL BE DOING...

We will be continuing with school readiness in farmers, we have been searching on the internet the children's new schools and uniforms, creating a school readiness file for the children and all the children have learnt to put on their own coats and shoes. We will be continuing this – getting children excited for their next big transition!

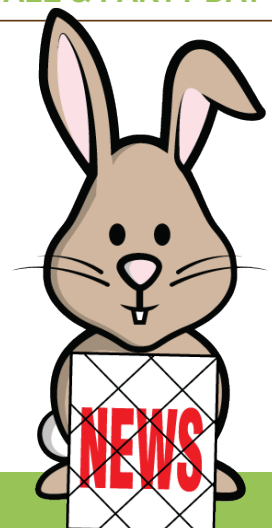

FISHERFIELD 25TH BIRTHDAY CELEBRATIONS.

We had lots of fun celebrating, we made cakes, had a farm yard day and created our amazing robot out of junk modelling. We ended the week with a fun packed party.
