

DERBY STREET

NEWS FLASH

March 2021

The children have enjoyed the introduction of weekly forest school activities. We have been exploring the wider world and the children took part in a blindfold explore activities where they had to use their senses to identify what they were feeling. We also made bird feeders and binoculars to watch what birds were visiting our garden to eat the feed we left out.

In March we will be developing our nursery key worker room which is our love heart room and is used for key worker activities each morning and afternoon. and will send out photographs on parent zone for you to see. We will also be learning about rockets following requests by the children, we will be making small and large scale rockets so please send into nursery any unwanted boxes, kitchen rolls which we can use to create our rockets.
