

# DORSET DRIVE

# NEWS FLASH

March 2021

## LOOK WHAT WE HAVE DONE...

### FARMERS

The children have enjoyed the body topic and enjoyed learning about a new body part each day. The children created lungs from bags and straws, made a jelly heart, and joined in with an experiment using bags of water and crackers to show how the stomach digests food. Ainsley created an interactive body board which supported the children's understanding and thank you to parents for sharing videos of their child recreating this at home.

### DUCKS

The Ducklings have really enjoyed their weekly baking which included cakes and bread and in the next few weeks will be adapting their baking area and adding new resources.

## LOOK WHAT WE WILL BE DOING...

In March we will be continuing to focus on growth and changes with lots more planting, vegetable growing and forest school activities.

### QUESTION OF THE MONTH March-April

We are looking at new ideas for our meal times and need your help!  
What food's does your child/children like to eat at home?

Our question of the month will be sent via parent zone like last month as the response from you were great!

Thank you

## THANK YOU

Thank you for the Valentines donations helping us raise 50 pounds in one afternoon! We really appreciate every donation

Thank you for every parent/carer who has shared a photo, commented and replied to our post's on parent zone. Your feedback is very important to us and we take every comment or suggestion on board
