

# THE GABLES NEWS FLASH

OCTOBER 2021

## AUTUMN FUN!

Our little lambs have loved taking part in some new sensory experiences at nursery including bubble babies, 'a day on the moon', and a sensory forest school day with bug jelly and a bush tucker trail (no real life insects were harmed in the making!). The little lambs went for a walk to see the Alpaca's! they were called Star, Diego and Dudley, it was very funny when one of them sneezed – it made all the ladies jump!

The little Farmers have enjoyed exploring their new investigation area, looking at the different senses and exploring and identifying new objects. The little Farmers have been exploring our new season 'Autumn', they have enjoyed creating their own glittery pine cone garlands, leaf rubbing, creating their own bark bugs and making sun catchers from different flower petals in our nursery garden (which you can see on our windows!)

## PARENT NOTICE

We would like to thank parents/carers for your kind donations towards our Autumn Harvest Hamper and also for your donations to our nursery home cornes

In November we will be starting weekly forest school trips and learning our local community.
