

## Welcome Back to Nursery!

We would like to take the opportunity to welcome back the children who have recently returned to nursery – we can't wait to hear about all of the fun things that you have been doing at home

## Sound/Colour of the week

Since returning to nursery, the children have loved receiving the sound/colour of the week letters again from George the Giraffe! We have had some special celebration days linking to our sound of the week. For example: we celebrated an 'Italy' day, where we made our own flags, enjoyed a trip in a gondola and had some lovely pasta for dinner! We also celebrated 'Australia' day, where the ladies dressed as zookeepers and animas that were in our letter including a 'kangaroo' and a 'koala'. We have also enjoyed taking part in our weekly colour hunts with some new colour names such as 'kiwi' and 'lemon' and we loved our challenge from George where he asked if we could make our very own lemon drizzle cake – it was delicious!

## Autumn

The children in the Farmers room have enjoyed learning all about our new season -Autumn. During morning registration they have learnt a new song ' five little leaves', they have taken part in colour mixing and leaf rubbing activities and have enjoyed a walk around the nursery garden to observe the changes to our plants, and to identify the signs of Autumn.

## Welcome

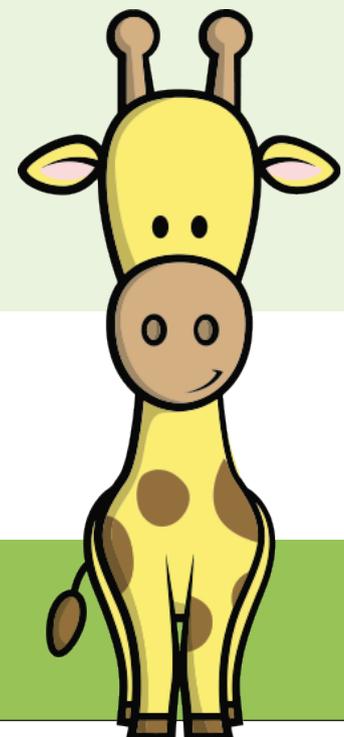

We would like to welcome all of our new children and parents into the Little Lambs room – Thank-you for working so well with us during the current circumstances – we have loved meeting you all and look forward to making new memories with your children at nursery

## Leavers Week

The children enjoyed taking part in leaver's week for their friends who were leaving us to start school in September! We had lots of fun celebrating! We enjoyed a movie day with homemade doughnuts, a hula dance party where we played limbo and enjoyed a visit the nursery tiki lounge. We enjoyed a princess and pirate day where we made our own maps and found the hidden treasure and we loved taking part in lots of different party games and getting lots of special treats!

please ask a member of staff if you need help

## Jack and The Beanstalk

The little Lambs have been planting their own magic beans in the nursery garden, we came into nursery one morning and because it had been hot and sunny over the weekend when we looked our beans had grown, the children enjoyed caring for them together with the ladies by giving them water and sunlight each day. Now we have some giant beanstalks – the children enjoyed reading the book together with the ladies, exploring a farmyard and shop and role play area, and making their own collages to create an area in the nursery garden!

## George the Giraffe's 3rd Birthday Party

The children in the little Lambs room enjoyed celebrating our nursery mascot 'George the Giraffe's' 3rd Birthday, they made party invitations and birthday cards. The children loved making George a birthday cake and they made their very own George cardboard cut-outs that they enjoyed taking pictures together in! We then had a party tea and some party games including 'Pass the Parcel and Musical Bumps.

## NSPCC fundraising

We would like to thank all parents and families for their generous donations over the past year to the various NSPCC events/appeals each nursery has hosted. Together, with your help, we have been able to raise £6392 for the NSPCC across Fisherfield this year! This money will serve to make the lives of vulnerable children across the country better. We have been raising money for the NSPCC since 2009 and we are proud to say that with the support of the families who attend our nurseries, we have raised £84,145 in just over a decade.

After consulting with the Nursery Council in each of the Fisherfield nurseries, we have made the decision to start supporting the RSPCA. The children have demonstrated an interest and love for animals, and this will be a great way to build on their interests. As part of our support for the RSPCA, we will be sponsoring a dog and will continue to host exciting and fun fundraising events as soon as it is safe to do so!

## Sprout

Sprout is a loveable little pup who likes making new puppy pals. He needs your support to help him grow up to be a life-changer.
