

SCHOOL HOUSE NEWS FLASH

February 2023

In the Lambs room the children have enjoyed focusing on a different animal each week, from the book 'Oh Dear'. They explored the different textures and sounds linked to each animal. We then linked the book to our forest school day where we sang nursery rhymes around the campfire and enjoyed exploring different bugs in the environment on a bug hunt.

In the Ducks room the children have enjoyed the story book 'Going on a Bear Hunt' this month. They have been focussing on the different sounds from each page in the book and going on bear hunt around the nursery exploring different textures. The children enjoyed making their own binoculars in the creative area and going on their very own bear hunt whilst playing in the garden.

The Farmers children have been learning all about the life cycle of a caterpillar which they have linked to the book 'The Very Hungry Caterpillar'. They enjoyed learning the Makaton sign for caterpillar and also exploring new fruits and healthy snacks that they brought from home to share with their friends.

The Explorers have enjoyed learning all about nocturnal animals and hibernation this month. After spotting a squirrel's nest in the garden the children used the binoculars to watch them. They enjoyed learning about the different habitats of animals and learning the Makaton signs for them. On Forest school day the children enjoyed some team building activities such as den building and afterwards enjoyed discussing how animals build their homes like we built our dens to hibernate in.

Dates for the Diary:

30TH JANUARY – 5TH FEBRUARY – NATIONAL STORYTELLING WEEK

We will be asking parents to come in and share stories with their child's class – please speak with a member of staff to book in.

SATURDAY 11TH FEBRUARY – PLAY AND STAY
