## NEWS FLASH

July 2021

## LAMBS

The Lambs have watched the lifecycle of caterpillars, taken from their love of the hungry caterpillar story. They have enjoyed watching them eat, change into chrysalides, and then emerge as butterflies, it has been a fantastic opportunity for the children to learn about the outside world.

## FARMERS

The children have enjoyed a week of fun sporting activities, thank you to everyone who took part and the money we raised for the RSPCA. We had lots of fun and competed in sack races, egg and spoon races and bean bag balancing.

It's that time of year again, when we say goodbye to our school leaver, we will be taking our own graduation photos this year, photos will be being taken from the 5th of July, children can bring in spare clothes to wear and be changed into. Photos will be sold to raise money for our nursery charity, please ask a member of staff for more details.
