

The Lambs children have enjoyed taking part in lots of forest school activities and imaginative role with large cardboard boxes. They particularly enjoyed pretending they were on the bus using hoops as steering wheels.

The Duckling's and Farmer's children have recently been listening to a new story called Spider Sandwiches. After listening to the story, they chose different foods from the book to explore and create. In the home corner we made some spaghetti and added different coloured paints. We made 'slimed eel noodle', 'pickled worms' and 'rat-tailed pizzas'! The children loved exploring different textures and creating messy meals.

Question of the month

September

How can we support you?

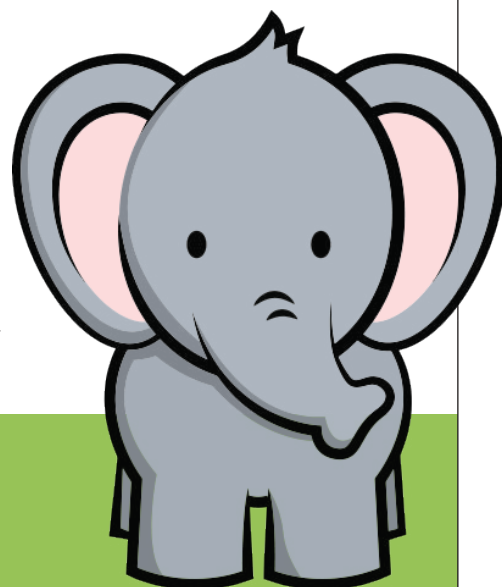

October

Is your child registered with a dentist?

THE HOLIDAY CLUB

The holiday club children have reveled in lots of different self-chosen activities related to superheroes. They had a superhero dressing up party and created their own sensory trays exploring materials they could create by mixing food items, paints, glitters and shaving foam. The children have enjoyed baking for the whole nursery and taking part in colouring competitions.

ATTACHMENT CLASS TO BE HELD TUESDAY 27TH AUGUST 10.00AM
