Your child, our privilege

We hope you all had a great Easter break, and thank you to everyone who got involved in our Easter events – all our children have been very busy, take a look at what exciting things they've been up to.

Lambs Topic – Our Community

The Lamb's children have been learning about the wider community, going out in our nursery bus exploring the environment around nursery and taking country walks.

While on the walks we talked about flowers and vegetables and how to grow them, which made us think about our garden.

We are currently growing vegetables and the children are excited watching how big they get and what they will taste like.

If you could join in and send us some photographs of the children gardening at home that would be great fun.

Ducklings & Farmers Topic – Social Events

The children held a Grandparent's morning which was brilliant for both young and 'not so young.' Our visitors enjoyed a good catch-up and a glass of juice and some cakes while looking at the children's work.

This is so good for the community and helps the children to interact with the older generation.

We had lots of fun playing outdoors, baking cakes and painting handprint cards.

THANK YOU so much for the support of everyone who attended.

THANK YOU

We would like to thank parents who contributed to our occupation week by sharing their experiences with the nursery.

The children loved learning about the different roles parents have in the community.

Thank you to the 2 mums who are teachers, who read stories and did experiments with the children.

We talked about what the children might want to be when they grow up.

Being School Ready

Some of our Farmer's children will be leaving us soon and starting a great new adventure by going to Primary School.

Your child, our privilege

We will be supporting the children in making their transition as smooth as possible by promoting independence, meeting their new teachers and school roleplay. We will provide as much information as possible for both child and parents.

Could all parents whose children are leaving for school/preschool inform us of which school they will be attending.

Holiday Club

Children who attend the Holiday Club were in for a real treat this week when they got the chance to learn about an electric car!

They had a good look under the bonnet and were fascinated to learn how it works. It even works by remote control with your phone! Talk about Hi-Tech!

For those 'car mad' dads out there who have probably seen them around this was a Tesla.

The children were given a quiz to see the difference between a fuel run car and an electric one, and were intrigued that you can just plug this one in to charge it up.
